VI. Review Personnel Handbook

Jeanne shared that she created an online form for anonymous reporting, that is available to staff on SharePoint.

Jeanne stated that she will make the changes discussed, then the document will be given to the Department Managers for approval, and then to the Union for approval. After this, any further changes made to the document will be noted and sent to the Committee members for a final review. Jeanne shared that with this timeline, the document will go to the full Board for approval in March.

It was decided that the original version showing all of the changes, will be sent to the Board for review, and the clean version will be included in the packet. Along with this, Jeanne will note any major changes to the document.
